Product Description

As animal lovers, we know how important it is to create a clean and safe environment for our beloved pets. For this reason, we have developed Hydroliq Animal Home, a disinfectant especially for pets.

Thanks to the sustainable base of stable hypochlorous acid (HOCl), we have a disinfectant solution that is gentle enough for everyday use, but strong enough to remove harmful pathogens.

Application

Spray the surface to be disinfected generously and leave to act or wipe with a microfiber cloth.

Area of application

Skin, mucous membranes, ears and fur
 Drinking and feeding bowls
 Cages, terrariums, aquariums and accessories
